WHAT YOU CAN DO

### Consider a year-end donation

We assure you it is a Safe, Secure, & Simple way to contribute.

### This Christmas, give the gift of dignity

HNP Christmas Store is a program of the Healthy Neighborhood Project . For over 5 years, we have sought to provide high quality, new toys and gifts for hard working families in the Downtown Muskegon neighborhoods at an affordable price. We believe there is dignity for families in purchasing their own Christmas gifts for their children and family.

Every gift received by HNP Christmas Store turns into three gifts for Downtown Muskegon neighbors: A toy for a child, pride and dignity for their parents, and jobs for neighborhood youth at our HNP Summer CATCH Camp. Proceeds from our HNP Christmas Store support jobs for CATCH Camp leaders. To make a donation or join us this Christmas season, email us at [sarah@communityencompass.org](mailto:sarah@communityencompass.org).

## Today and Tomorrow

Checking account, or retirement account? Most would agree that people should have both. Well, Community enCompass is no different! We depend on your gifts to do our good work here and now, but we're also building an endowment fund through the Community Foundation for Muskegon County to help meet the needs of tomorrow. Different people give for different reasons, but if you get excited about planning and sustainability, please consider helping us build this Fund. *(P.S. – the Michigan tax credit is still good for 2011, so be sure to take advantage of it!)*
